

Freight Management Solution Proposal

Presented by International Cargo Express Pty Ltd

Typical Purchase order flow

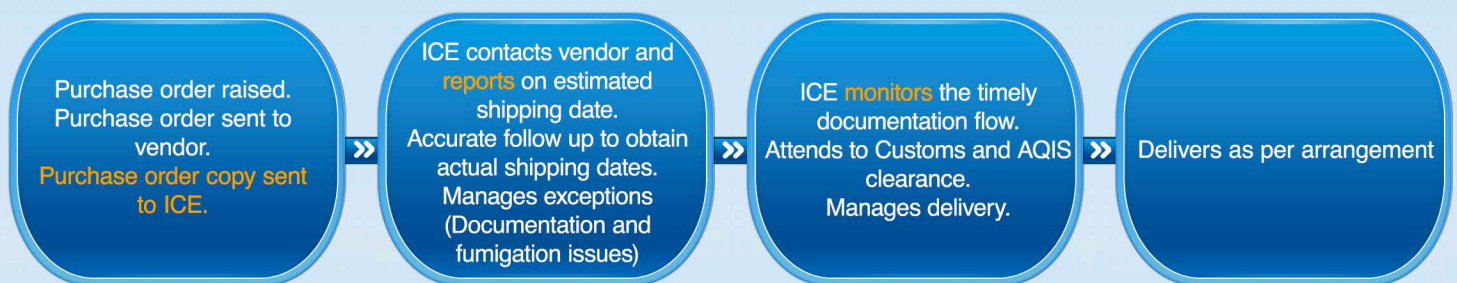

10 touch points to expedite a purchase order without involving International Cargo Express!

Call us today & let us take your headaches away!

☎ 1300 227 461

Engage ICE to manage your purchase order progress

By engaging ICE, the touch points are reduced from 10 to 1. Your shipments are monitored and you will be kept up-to-date through exception reporting, via email messages, phone calls or web portal access.

Australia's Best International Freight Forwarders
